

Wall Recessed

iAlda series is a versatile luminaire for all architectural areas. Offers a solution for recessed wall lighting.

The pure modular design along with minimal yet bold details make the outdoor step light, a perfect fit for all your staircases.

Architectural wall recessed die-cast aluminium LED recessed range inspires architects, designers and system integrators with its exceptional quality, homogeneous beam and remarkable creativity.

High Impact and Versatile

Innovative light sources with low recessing depth combine to form a high impact and low maintenance product.

iAlda is a compact and high performance luminaire with impressive versatility. Suitable for easy installation on walls.

Integrated Solution and Easy to Install

Plug and play built-in system with the fully integrated universal power supply unit.

The watertight plug connector ensures easy, fast and secure installation. The robust luminaire fits seamlessly into the architecture.
