

Wall Recessed

iNerra series is a versatile solution for all architectural areas. Offers a long-lasting illumination for recessed wall lighting.

The subtle yet evidently adorable design makes this light a perfect fit for interior and exterior staircases alike, while the concealed light provides an evenly bright beam for longer hours.

Architectural wall recessed die-cast aluminium LED recessed range inspires architects, designers and system integrators with its exceptional quality, homogeneous beam and remarkable creativity.

High Impact and Versatile

Innovative light sources with low recessing depth combine to form a high impact and low maintenance product.

iNerra is a compact and high performance luminaire with impressive versatility. Suitable for easy installation on walls.

Integrated Solution and Easy to Install

Plug and play built-in system with the fully integrated universal power supply unit.

The watertight plug connector ensures easy, fast and secure installation. The robust luminaire fits seamlessly into the architecture.

iNerra					
Codes	Power	Colour Temperature	A (mm)	B (mm)	H (mm)
