

Wall Mounted

iTubo is a round, up and down wall lamp that is the definition of elegant and minimalist design. The luminaire can be installed both horizontally and vertically, making it even more versatile to fit into existing systems. Available in four sizes.

Architectural wall lighting range inspires architects, designers and system integrators with its exceptional quality, a variety of beam angles and remarkable creativity.

Innovative and High Performance

Defining architectural spaces with precision optics. Innovative light sources and precise optical systems combine to form a high impact and low maintenance lighting system.

iTubo is a compact and high performance luminaire with impressive versatility. Suitable for easy installation on walls.

Integrated Solution and Easy to Install

Plug and play built-in system with the fully integrated universal power supply unit.

The watertight plug connector ensures easy, fast and secure installation. The robust luminaire fits seamlessly into the architecture.
